ENTERPRISE WEALTH ACCELERATOR PROGRAM

Catapult Your Enterprise Wealth
Attraction Creation Contribution

ACCELERATED SOCIAL ENTREPRENEURSHIP

Plug into the power of 10 with this innovative program based on high performance business and social innovation and integrated philanthropy. Align your business and charity vision, values and core strengths. Create an energetic flow between your already profitable business, high value clients, strategic partners and your community. Transform from Go-Getters into Go-Givers!

WHY SOCIAL ENTREPRENEURSHIP?

When businesses are 'partnered' with the right charitable cause, the impact can be profound. Increased market attraction, loyalty, profits. This program will help you identify key success drivers and avoid common mistakes, when integrating a cause, to create a social partnership and catapult your growth, wealth and social contribution!

YOUR 'HIDDEN' PATH TO WEALTH

Discover what YOU have in common with Richard Branson, Oprah Winfrey, Jack Welch, Donald Trump, George Soros, Warren Buffet, John D Rockefeller or Henry Ford!

In fact you are just like one of them! Your '**Wealth Dynamics Profile'** will identify which one of 8 profiles and how you too can tap into your fastest path to wealth.

STRATEGIC WEALTH CREATION & CONTRIBUTION

First register as a Business or Charity Host. Next invite your Key Clients and Strategic Partners, and ensure all complete their Wealth and Business Profiles to be laser focused for our **3 High Impact Half Day Workshops**:

1. Exploit Opportunities – Is your goal double revenue in 12 months, global expansion, or ongoing funding for a great Cause? VIP will facilitate high value opportunity matching to leverage participants' vision, values, resources towards achieving your key goals.

2. Creative Solutions - All enterprises are challenged in achieving profitable growth at different times! VIP will lead participants through exploring key challenges & opportunities; identify high impact solutions relevant to Participants' Wealth Dynamics Profiles; and 'how to' integrate a synergistic cause to leverage value and propel each enterprise's growth and wealth.

3. Making A Difference – As aspiring/market Leaders you have responsibilities bigger than your business and cause! VIP will assist you in playing a bigger game, identifying key issues, solutions & creating high impact action plans to leverage your group's value and wealth, and be accountable to making a difference in our world.

This Multi-Million Dollar Playground is for big kids with big ambitions! Inspired by Bill Clinton's Global Initiative it's available to groups of just 10 Business and Charity Leaders per program. Never before has a program brought together aspiring/market leaders and high impact solutions to empower YOU AND your key clients and strategic partners to quickly and easily make a bigger difference in our world.
