

VIP HIGH PERFORMANCE SOCIAL ENTERPRISE PROGRAM

Your Next Step toward Social Enterprise Prosperity

PROGRAM OVERVIEW

VIP provides creative holistic transformational business and social innovative development strategies and solutions to create high performance Small & Medium Social Enterprises. Through this first phase, a program will be designed to help your Enterprise be more strategic, team & socially responsive, competitive, profitable & prosperous.

PROGRAM BENEFITS

VIPs phased program will assist you in identifying how to:

- Leverage and grow your value to get the highest impact with what you have right now;
- Increase your Enterprise performance & profitability, cashflow, revenue streams, competitiveness, attraction;
- Create sustainable prosperity through contributing more socially responsive wealth within your community;
- Get a return on your investment in minimal timeframe toward justifying ongoing and/or subsequent investment.

TANGIBLE DELIVERABLES

This initial phase will deliver the following:

- Enterprise Owner & Key Stakeholder Briefing
- Identification & recommendations on key areas for Enterprise & social innovation & improvement
- Draft Strategic Enterprise Action Plan with highest impact points identified to drive your Enterprise forward
- Enterprise Owner & Key Stakeholder Debrief – findings, recommendations, priorities, resources and next steps
- And/OR receive our ‘Clean Bill of Health’ Award
