

ENTERPRISE REALITY CHECK

Your Next Step to Enterprise Potentiality!

OVERVIEW

VIP provides creative holistic transformational business and socially innovative strategies and solutions to create high performance Small to Medium Social Enterprises. We recommend and develop events and phased programs to assist Enterprises in being more strategic, relationship & community focused, team & socially responsive, competitive, marketable, profitable & prosperous.

Our comprehensive Enterprise Reality Check is an online version of our more comprehensive Strategic Enterprise Assessment and Action Planning Workshop Programs, developed specifically for Entrepreneurs and Leaders of Small to Medium Enterprises keen to identify High Impact Strategies and Solutions with minimal initial investment.

REALITY CHECK BENEFITS

VIPs online Questionnaire will help identify areas where there is scope within your Enterprise to:

- Get the highest impact with what you have right now;
- Leverage and grow your Enterprise value, team, key relationships, revenue streams & profitability;
- Create sustainable prosperity through social contribution;
- Get a return on your investment in minimal timeframe toward justifying ongoing and/or subsequent investment.

TANGIBLE DELIVERABLES

This initial phase will deliver the following:

- Comprehensive review of Key Enterprise areas to identify opportunities for growth & prosperity (Gold & Platinum include VIP High Performance Coach)
- Draft Strategic Enterprise Action Plan with 4-5 highest impact points identified (Gold & Platinum Only)
- Enterprise Leader/s Debrief – discuss recommendations, actions, priorities, resources, next steps
- OR receive our ‘Enterprise Excellence’ Award!

ENTERPRISE PACKAGES
